

Introduction to Logic Games

- Logic Games Goals Overview
- Common Logic Game Components
- ABE's of Logic Games
- Logical Relationships
- Logic Game Types Overview

Finding Deductions

- Rules with Variables in Common
- Rules with Slots or Groups in Common
- Spatial Restrictions
- Not Spots

Power of Proofs

- Introduction to the Power of Proofs
- Must Be True

- Could Be True
- Must Be False
- Could Be False

Lesson 1: Basic Linear Games

- Universal Rule Notation
- Linear Rule Notation
- Introduction to Basic Linear Games
- Basic Linear Game 1
- Basic Linear Game 2
- Basic Linear Game 3
- Basic Linear Game 4
- Prove The Possibilities
- Options Table Overview
- Prove The Possibilities Game 1

Homework 1.1

- Basic Linear practice games

Homework 1.2

- Basic Linear practice games

Homework 1.3

- Basic Linear practice games

Homework 1.4

- Basic Linear practice games

Conditional Connections

- Conditional Connections Overview
- Complex Conditionals
- Triggers for Sufficient Indicator
- Triggers for Necessary Outcome
- Triggers for Indicator and Outcome
- Triggers for Indicator (Negate Outcome)
- Triggers for Outcome (Negate Indicator)
- "Not Both" Rule
- "Either Or" Rule

Lesson 2: Two Group Games

- Grouping Rule Notation
- Introduction to Two Group Games

Interchangeability

- Interchangeable Variables
- Interchangeable Slots
- Two Group Game 1

- Two Group Game 2

- Two Group Game 3

- Two Group Game 4

Homework 2.1

- Two Group practice games

Homework 2.2

- Two Group practice games

Homework 2.3

- Basic Linear review games

Homework 2.4

- Basic Linear review games

Lessons 1 & 2 Review

- Basic Linear Game

- Prove the Possibilities Game

- Two Group Game

Full Logic Games Section 2

Lesson 3: Advanced Linear Games

- Difficult Rule Notation

- Introduction to Advanced Linear Games

- Advanced Linear Game 1

- Advanced Linear Game 2

- Advanced Linear Game 3

- Advanced Linear Game 4

Homework 3.1

- Advanced Linear practice games

Homework 3.2

- Advanced Linear practice games

Homework 3.3

- Advanced Linear practice games

Homework 3.4

- Advanced Linear practice games

Full Logic Games Section 3

Difficult Question Types

- Global vs. Local

- List

- Minimum & Maximum

- All "if...then" Answers

- Fully Determined

- Suspension

- Replacement

- Same Effect

Lesson 4: Pure Sequencing

- Pure Sequencing Rule Notation
- Introduction to Pure Sequencing Games
- Pure Sequencing Game 1
- Pure Sequencing Game 2
- Pure Sequencing Game 3
- Pure Sequencing Game 4

Homework 4.1

- Pure Sequencing practice games

Homework 4.2

- Pure Sequencing practice games

Homework 4.3

- Basic Linear review games

Homework 4.4

- Advanced Linear review games

Full Logic Games Section 4

Lesson 5: Multi-Group Games

- Introduction to Multi-Group Games
- Multi-Group Game 1
- Multi-Group Game 2

- Multi-Group Game 3

- Multi-Group Game 4

Homework 5.1

- Multi-group practice games

Homework 5.2

- Multi-group practice games

Homework 5.3

- Multi-group practice games

Homework 5.4

- Multi-group practice games

Lessons 3, 4, & 5 Review

- Advanced Linear Game

- Pure Sequencing Game

- Multi-Group Game

Full Logic Games Section 5

Lesson 6: In/Out Games

- Introduction to In/Out Games

- In/Out Game 1

- In/Out Game 2

- In/Out Game 3

- In/Out Game 4

Homework 6.1

- In/Out practice games

Homework 6.2

- In/Out practice games

Homework 6.3

- Advanced Linear review games

Homework 6.4

- Basic Linear review games

Full Logic Games Section 6

Lesson 7: In/Out Pure Conditional Games

- Pure Conditional Rule Notation

- Introduction to In/Out Pure Conditional Games

- In/Out Pure Conditional Game 1

- In/Out Pure Conditional Game 2

- In/Out Pure Conditional Game 3

- In/Out Pure Conditional Game 4

Homework 7.1

- In/Out practice games

Homework 7.2

- Multi-Group review games

Homework 7.3

- Advanced Linear review games

Homework 7.4

- Advanced Linear review games

Full Logic Games Section 7

Lesson 8: Orderless Games

- Introduction to Orderless Games

- Orderless Game 1

- Orderless Game 2

- Orderless Game 3

- Orderless Game 4

Homework 8.1

- Orderless practice games

Homework 8.2

- Basic Linear review games

Homework 8.3

- Advanced Linear review games

Lessons 6, 7, & 8 Review

- In/Out Game
- In/Out Pure Conditional Game
- Orderless Game

Full Logic Games Section 8

Lesson 9: Distribution Games

- Introduction to Distribution Games
- Distribution Game 1
- Distribution Game 2
- Distribution Game 3
- Distribution Game 4

Homework 9.1

- Distribution practice games

Homework 9.2

- Distribution practice games

Homework 9.3

- Advanced Linear practice games

Homework 9.4

- Basic Linear practice games

Full Logic Games Section 9

Lesson 10: Rare Games

- Introduction to Rare Games
- Circular Game
- Connection Game
- Mapping Game
- Pattern Game

Homework 10.1

- Rare practice games

Homework 10.2

- Rare practice games

Homework 10.3

- Rare practice games

Homework 10.4

- Rare practice games

Section Strategy

- Timing
- Transferring Answers
- Guessing
- Difficulty Trends

Full Logic Games Section 10
